

# Declaration of Non-Intervention and Truth & Reconciliation for the Defense of Human Sovereignty on Earth

**WE HEREBY DECLARE** null and void any and all treaties or arrangements ETs have made with any of our world's military, political, economic, or religious leaders, in perpetuity.

**WE HEREBY DEMAND** that any and all off-world technology, engineered biological organisms, and materials be returned to the ETs, including hidden equipment and facilities not known to humanity.

**WE HEREBY DEMAND** all ETs cease any and all operations on Earth, and leave our oceans, underground facilities, atmosphere, and Solar System permanently.

**WE HEREBY DECLARE** that no further ET visitation or operations be allowed on this planet or in our Solar System without the awareness and express permission of humanity as a United and Sovereign Species of Earth.

**WE HEREBY DECLARE** amnesty and immunity for all whistleblowers and cover-up insiders, and for Truth and Reconciliation to begin so that humanity can heal from the manipulation and abuse it has endured from these beings, and to ensure it **never, ever happens again.**

**PROTECT OUR PEOPLE • PROTECT OUR FUTURE • PROTECT OUR PLANET**
